my friend Rachel, we met at work and then just became good friends. She's also a model and an actress, catch her in an upcoming movie with Jackman (not sure if I can say the name so...)! Rachel and I went to this cool nature park 40 min out of Atlanta called Arabia Mountain. The area there is unreal. On one side, it's like being on Mars. The mountain is red and marble and barren, then on the other side there are a bunch of oases (like little pods of water and growing life) and this is Rachel basking in the beautiful sunset light in one of the oases!
