LOTS OF NATURAL TEXTURE

One resounding theme: For guys, the less you torture your hair, the better. Plus, "curls are mysterious and unique. They imply spunk," says Jesse Kaseford, 32, of Madison, Wisconsin. To show off boys with a coll, Stinger hawk says to avoid heavy serums and work in leave-

in conditioner when hair's still damp. Try Redken Extreme Anti-Snap (\$15, redken.com for salons). The key to fighting frizz? Keep your hands off until hair is completely dry—then you can break up the curls with your fingers. To fake tight ringlets, just wind sections of hair around a skinny curling iron.
