## IDINA MONCREIFFE

Idina, daughter of Scottish-clan leader and investment banker Peregrine Moncreiffe of that Ilk, is devoting all her time to her art. The 24-year-old is working on her first solo show, in which she'll exhibit watercolour portraits, illustrations of cows and dogs, sculptural pieces and even some digital art made on her iPad. She loves animals, and is surrounded by them on the family estate in Scotland – they have lots of rabbits (hers is called Thumper), horses and albino frogs ('they're kinda gross'). >
