Beauty

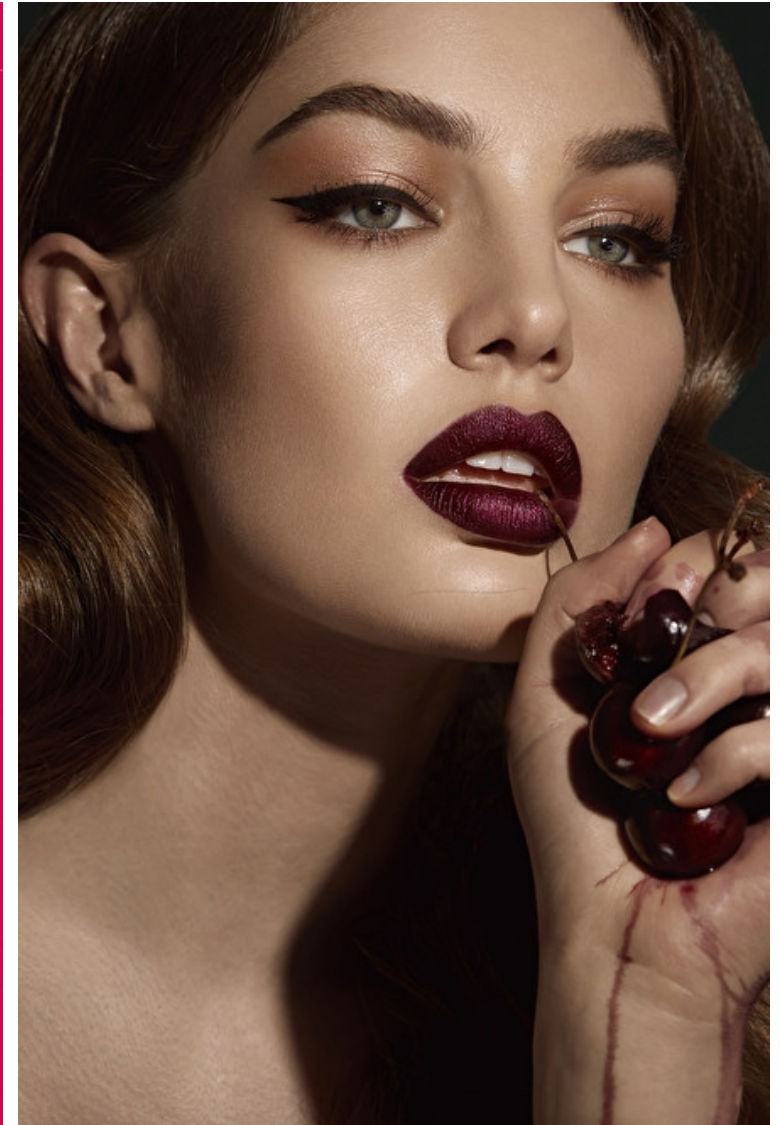

KEEP IT REAL

Balance is key when wearing pink to the office. Try infusing pallid cheeks with a dusky pink powder, then dab a slightly darker and sheeny hue on to your eyelids and lips to warm up your face. Put aside concerns that it won't suit you: 'The blue in muted pink makes it ultra-wearable for all skin tones,' says Westman. We love Clarins Ombre Cream-to-Powder Matte Eyeshadow in Nude Pink, £19, Shu Uemura Rouge Unlimited in WN285, £20, and Chanel Le Blush Crème de Chanel in Inspiration, £28, as they are all exceedingly easy to use, thanks to lightweight formulas – simply pat and dab until you reach the intensity you like.

PRO TIP: To keep things modern, Westman recommends that you keep the rest of your look polished rather than plastic. 'Keep hair a touch dishevelled and aim for velvety skin with neat, nude nails, and you're good to go.'
