**THE ORIGINAL:**  
LONG TECHNIQUE  
Kudos to these sticky, white plastic pants strips for nearly factor, but when it comes to saving blackheads for good, exfoliation is key. Look for products packed with fruit extracts to slough away dirt and grime; the Pycnogenol MD Pro-Long Series Exfoliating Face Buffers, which is great for anyone experiencing the first signs of congestion. If you've been lately set up deep, Caudan Premier 14 & 14 Cool Face Pack also works by first exfoliating dead skin cells and allowing in impurities via a warming charcoal powder. Before the soothing sensation of the second step, a mask enriched with glacial water to keep pores.
