MEET ALINE WEBER - BRAZILIAN beauty
with PIERCING JADE EYES, perfectly curved
CHEEKBONES, and a SMOLDERING pout. We get
PERSONAL with our FALL COVER SUPERMODEL
about opening for BALENCIAGA and having just been a
recent guest in an INDIGENOUS BRAZILIAN village.

In the small town of Seara, Santa Catarina, tucked away in the Brazilian countryside, supermodel Aline Weber recalls that "growing up in a small town was great." A village with mostly inhabitants of German descent, including Weber and her family, she contributes her deeply-rooted love for nature to her youth. "I had a lot of contact with nature, especially when visiting my grandmother," she recalls.
