**NOEMIE
MERLANT**

Her performance in *The Orphan Girl*, directed by Jacques Richard, earned her a place in the *Revolutions Caesars 2014*, a feature on level with her part in the short film by Pierre Nince, also a part of the *Talent Cannes Adami*, which screened at the Cannes Film Festival this year.

Born in Paris in 1988, the French actress started nurturing her love and talent for the arts from a minute age. She started classical dance at six years old, contemporary dance at ten, and modelling under some of the world's major agencies in Paris, New York, Milan and Tokyo at age seventeen. In 2008 she debuted as an actress in Bozta Yakin's *Death in Love*. From there onwards, it's all going just peachy.

Photographer Yuji Watanabe, caught up with the young talent in Paris about her classical training and her thoughts on Hollywood.
