For over a century, Gucci has created iconic designs. Here we showcase three timeless handbag styles: The Horsebit, The Bamboo and The Jackie.

"I'm an international model, mother of four and grandmother of two. My background is in interiors and I'm an antiques collector and curator. I have an eye for detail and my style is all about the unique. I love the little Gucci Bamboo 1947 bag as it melds craftsmanship and history together so beautifully, and no two bags are made the same ... they are individual."

Rachel Waller

Gucci Bamboo 1947 mini top handle bag, \$5830, Gucci GG double-breasted jacket, top, canvas trousers, and Gucci Horsebit platform loafers.
